Description / Action:

- The gelcoat on rear lockers was cracking. The cracks are cosmetic only.
- D2273 updated to allow the painting of the rear locker to cover the cracks
- Paint is listed as an option, however production may want to paint all rear lockers to ensure any cracks are covered.
- As part of the testing, D206-605 rear lockers were also approved for painting. 206 rear lockers in stock have already been painted.
